Social Objectives:

The objectives shall be to foster, develop, promote, and coordinate recreational and competitive amateur boxing opportunities for all member athletes and supportive participants, and to supervise boxing matters as may properly come within its purview and shall be consistent with those of the USA Boxing Bylaws.

Policies and Procedures:

USA Boxing is an organization of volunteers who, at the local level, use their homes and telephones to further the sport of amateur boxing. We love what we do, but most of us hate calls before 8 AM and after 9 PM.

- 1 The LBC has a one show per day policy with member tournaments taking precedence over shows.
- 2 If show details have not been received, then schedule information will be taken from the club's last show.
- 3 Sanctions must be submitted on-line to USA Boxing at least 10 days prior, or USA Boxing will add a \$50 late fee.
- 4 Sanctions are given out in a lottery at the LBC annual meeting in December.
- 5 When no open dates are available, registered clubs requesting sanctions will be put on a published waiting list.
- 6 Clubs are responsible for providing a doctor (MD or DO), licensed in California, to do the pre-bout and the post-bout physicals, and to be in attendance at ringside during all the bouts.
- 7 A show must have at least five registered & certified (volunteer) officials. Sanction holder is responsible for contacting the Chief of Officials and verifying the availability of officials in their area. It is the host club's responsibility to provide a their flyer for the show to the Chief of Officials and, at the show, have USA Boxing approved gloves and an ambulance. To have a show, Clubs need to encourage enough volunteer officials to come to their show.
- 8 The JO tournament is mandated by USA Boxing and has no entrance fee. All other tournaments have an entrance fee that varies from \$3 to \$35 per boxer, with an LBC maximum of \$40 Club shows **can not** have an entrance or athlete fee. Clubs usually ask for a \$5 to \$15 donation at the door.
- 9 Boxers with braces must have, attached to their passbook, a **Release to Compete with Orthodontic Braces/Appliances** form signed by their dentist. If they are under eighteen, the form must also be signed by their parent or legal guardian.
- 10 Boxers must have a current yearly physical with a Physician's address & signature and "fit to box" indicated on form.
- 11 Yearly physicals expire one year after they are signed by a doctor.
- 12 An ambulance is required for all shows and tournaments per State Athletic Comm. (CSAC)
- 13 A **Financial Statement for Competition** is required for each show and tournament.
- 14 A travel stipend (gas money) for the volunteer officials is always appreciated.

Matchmaking is a club responsibility but will be supervised by the Chief of Officials or her designated representative.

- 1 Weigh-ins will typically be done from 9 to 10:30 AM on weekends and from 4 to 5:30 on Fridays.
- 2 Matchmaking will typically start after the weigh-ins.
- 3 The club matchmaker will match all the host club's bouts and pre-matches that are within USA Boxing **Matched Bouts** (Club should not take more than half of the matches for themselves (including pre-matches) unless the show was listed on the schedule as a pre-matched show)
- 4 The host club will make matches between the clubs, making every effort to give every registered club at least one bout.
- 5 Boxers who weigh-in at an open show, but do not get a bout, are entitled to free admittance to that show.
- 6 Officials' children are allowed free admittance to any show where their parents are asked by the Chief of Officials to officiate.
- 7 Clubs that want all the bouts for their club must list their show on the schedule as: "**All bouts will be pre-matched**"
- 8 Shows are limited to 12 bouts on Friday and 20 bouts on Sat./Sun unless approved by the Chief of Officials.
- 9 **Outdoor shows**, without a tent covering the ring, are prohibited without the express approval of the Chief of Officials.
